Dignity Health Foundation™

Our Mission

Dignity Health Foundation was launched to promote innovative solutions that improve individual and community health and provide better care at lower cost. Our focus is on providing accessible and high quality health care for under-served populations. We believe that innovation and technology can be a catalyzing force to improve how health care is delivered to populations across the economic spectrum. Prior to the formation of Dignity Health Foundation in FY13, gifts to Dignity Health were accepted and administered by Dignity Health System Office. These gifts are also included in the information presented below.
